Our clients have gained access to **\$3,368,120** in Federal Pell Grants, averaging **\$3,440 per student**.

### CASH FOR COLLEGE CLIENT SPEAKS OUT:

*Foundation Communities' Cash for College program was the starting point for me continuing my education. I had tried to apply for loans before and found it daunting. They made the FAFSA application process painless and were very encouraging. It made me realize how much I really wanted to continue my education. I know that this decision will lead me to a more secure future. Thanks Foundation Communities for helping me along the way.*

### MOST OF OUR CLIENTS ATTEND:

- Austin Community College
- University of Texas
- Texas State University

Cash for College is  
generously supported by:

*Michael & Susan Dell*  
FOUNDATION
