The Additional Child Tax Credit

Working hard to support your kids?

Didn't earn much this year?

This credit may help you out. The qualifying income for Additional Child Tax Credit has dropped from \$8,500 in 2008 to \$3,000 in 2009. This means your refund may increase, even if you did not receive this credit last year.

For more information on this and other tax questions, contact the IRS 1-800-829-1040 or www.irs.gov or visit our tax center.
