The “Making Work Pay” Tax Credit

Have you noticed a change in your paycheck?

The Making Work Pay Credit is working for you right now. Beginning in April 2009 you were to see less taxes taken from your paycheck. If you are self-employed, you too are eligible and may claim this credit on your 2009 tax return. If you work several jobs, you may owe taxes due to the automatic changes in your paycheck.

Certain limits apply. For more information on this and other tax questions, contact the IRS 1-800-829-1040 or www.irs.gov or visit our tax center.
