

# Am I Eligible For Your Services?

You are eligible for free tax preparation if you are:

- An individual who makes \$25,000 a year or less.
- A family (2-4 people) making a total of \$50,000 a year or less.
- For larger families, the income limit goes up \$5,000 for each individual (a family of 5 can make up to \$55,000, a family of 6 can make up to \$60,000, etc.).
- You are qualified to use tax forms which our volunteers are certified to prepare.

We CAN help you with:

- Taxable wages and benefits
- Non-wage and retirement income
- Itemized deductions
- Self-employment income
- Tax credits for working families and students
- Credits for child or dependent care expenses

We CANNOT help you with:

- Capital gains and losses on investments
- Losses from business or depreciation of assets
- Businesses that claim use of the home
- Rental income or sale of a home
- Income from multiple stock sales
- Income earned in a foreign country

If you need help completing a Schedule C return, you will need to schedule an appointment by calling 512-610-7378 or e-mailing [self.employed@foundcom.org](mailto:self.employed@foundcom.org).
